

REMARKS

The Examiner's Action of October 27, 2005 has been carefully considered.

By the foregoing amendment, the typographical errors mentioned by the Examiner in Claims 1, 5, 6 and 11 have been corrected. Claims 4 and 13 have been amended to recite that the "second guide wall means" guides tablets instead of toothpicks.

The Examiner having stated that all claims in the application, Nos. 1-15, are allowed or allowable if amended to overcome the rejections set forth in the Action, it is submitted that the present amendment clearly places the application in condition for allowance. A Notice of Allowance is respectfully solicited.

Respectfully submitted,
